Dear 2021 Field Day of the Past Arts & Crafts Vendors:

As most of you probably already know, we have located a new site for the 2021 event. This year we will be hosting Field Day of the Past at Redfield Farm at 12000 Patrick Henry Highway in Amelia County. This is an exciting time, and it is also a challenging time. We are now offered an opportunity to reinvent our well-beloved show. This move offers many new obstacles to overcome. As we move through the next few months, we will be exploring new options for changes in the event.

Because this is a new venue, there are some things of which none of us are quite certain currently. Locations of exhibits on the grounds, including arts and crafts, gates, movement through the grounds, parking and the handling of tickets are just a few of the logistics we will need to iron out.

In many cases, the same circumstances will apply to our arts and crafts vendors as they have for the past few years. Space rental remains the same at \$75 for a 15'x15' space and \$100 for a 20'x20' space. Vehicles will still be allowed only in 20'x20' spaces. For 2021, one ticket for each day will be included in your arts and crafts registration. Parking passes will still be necessary to get onto and off the grounds.

We know you have lots of questions and we will keep you posted on our website and through social media. You are also invited to contact us at [fielddayofthepast@gmail.com](mailto:fielddayofthepast@gmail.com).

Attached you will find a 2021 Field Day of the Past Arts & Crafts application. There are a limited number of spaces available, so we urge you to apply as soon as possible. Once we receive your application, you have been accepted unless we contact you to the contrary. We will limit the number of spaces sold for like items, i.e., pet accessories, makeup, cooking items, etc., so, if you are selling a popular product, register early. We already have vendors who have registered with us.

You will be advised as the show gets closer on how we will deliver your location maps, tickets, parking passes and other necessary information.

This will be a learning experience for all of us. Please bear with us as we endeavor to suit the needs of all our vendors and our visitors.

Thank you for participating. If you have any questions, please feel free to contact me.

Melinda Gammon
