

Field Day of the Past

Post Office Box 29643 Richmond, Virginia 23242-0643 804/741-8468

Dear 2021 Field Day of the Past Exhibitor:

As most of you probably already know, we have located a new site for the 2021 event. This year we will be hosting Field Day of the Past at Redfield Farm at 12000 Patrick Henry Highway in Amelia County. This is an exciting time, and it is also a challenging time. We are now offered an opportunity to reinvent our well-beloved show. This move offers many new obstacles to overcome. As we move through the next few months, we will be exploring new options for changes in the event.

Because this is a new venue, there are some things of which none of us are quite certain currently. Locations of exhibits on the grounds, gates, movement through the grounds, parking and the handling of tickets are just a few of the logistics we will need to iron out.

Joe Fidd will remain as our coordination for Small Engines and Jeff Duty and Pope Reed will still be assisting with antique tractors and lawn and garden tractors. We are grateful to all those who have worked in the past and will continue to support us for the future.

We know you have lots of questions and we will keep you posted on our website and through social media. You are also invited to contact us at fielddayofthepast@gmail.com.

Attached you will find a 2021 Field Day of the Past Exhibitor Registration Form. We again encourage you to pre-register before arriving at the show as it cuts down on lines at the Registration Trailer on show days.

You will be advised as the show gets closer on how we will deliver your tickets and other necessary information.

This will be a learning experience for all of us. Please bear with us as we endeavor to suit the needs of all our vendors and our visitors.

Thank you for participating. If you have any questions, please feel free to contact me.

Melinda Gammon
