Dear 2022 Field Day of the Past Exhibitor:

Last year was an uphill battle for Field Day of the Past volunteers, staff, exhibitors and other participants. After all is said and done, we count it as a successful year and thank each of you for participating and helping us make this the event it was. This year we will again be hosting Field Day of the Past at Redfield Farm at 11404 Circle Dr. in Amelia County. Field Day of the Past at Redfield Farm is still a work in progress and change and reinvention is part of our program

Some things will change again this year. Some will not. Joe Fidd will remain as our coordination for Small Engines and Jeff Duty and Pope Reed will still be assisting with antique tractors and lawn and garden tractors. We are grateful to all those who have worked in the past and will continue to support us for the future.

Attached you will find a 2022 Field Day of the Past Exhibitor Registration Form. We again encourage you to pre-register before arriving at the show as it cuts down on lines at the Registration Trailer on show days. **PLEASE NOTE: THOSE PARTICIPATING IN TRACTOR PULL DURING THE DAY PULLS DO NOT REGISTER ON THIS FORM.** Our Tractor Pull will be under new management this year and changes will be made to both that registration process and the pulls themselves. **IN 2022, ALL TRACTOR PULL PARTICIPANTS WILL PAY TO COME THROUGH THE GATE. THE COST OF YOUR ADMISSION WILL BE APPLIED TO YOUR PULL FEE.**

As we have done in the past, everyone will need to visit Registration before you place your exhibit on the grounds. There you will receive your ticket for the day and be directed to the correct committee chairman to help you place your exhibit. You will receive tickets for remaining show days at that time.

Thank you for your patience and participation. If you have any questions, please feel free to contact me.
