Dear 2024 Field Day of the Past Exhibitor:

We welcome you to the 2024 Field Day of the Past set for September 20, 21 and 22. We hope that you will be able to join us this year with your small engines (or large ones), antique lawn mowers, tractors, or other unique equipment and/or items.

Joe Fidd will remain as our coordination for Small Engines and Jeff Duty and Pope Reed will still be assisting with antique tractors and lawn and garden tractors. We are grateful to all those who have worked in the past and will continue to support us for the future, and we are grateful to all those exhibitors who have shown up to be a part of our show over the years. Many of you have attended for many, many years. Others have recently joined our program. We encourage you to invite any of your friends or acquaintances who have something to display to register for this year's event.

Attached you will find a 2024 Field Day of the Past Exhibitor Registration Form. We again encourage you to pre-register before arriving at the show as it cuts down on lines at the Registration Trailer on show days. **PLEASE NOTE: THOSE PARTICIPATING IN TRACTOR PULLS DURING THE DAY, PLEASE DO NOT REGISTER ON THIS FORM.** The Central Virginia Antique Tractor Pullers Assoc. will again be managing the tractor pulls this year and they will handle the registration process at the track. **AS IN 2024, ALL TRACTOR PULL PARTICIPANTS WILL PAY TO COME THROUGH THE GATE. THE COST OF YOUR ADMISSION WILL BE APPLIED TO YOUR PULL FEE.**

As we have done in the past, everyone will need to visit Registration before you place your exhibit on the grounds. There you will receive your ticket for the day and be directed to the correct committee chairman to help you place your exhibit. You will receive tickets for the other days you wish to participate from your committee chairman and his volunteers. Please feel free to call if you have any questions.

Thank you for your continued support. We look forward to seeing you in September.
